

# Can't Shake It

## Great White

Young man in Morocco  
Buys a diamond ring  
Takes it across the water  
Just to see what luck it brings  
Young girl dressed in midnight  
Sets his blood on fire  
You can't buy my soul with gold  
But my heart is up for hire  
I can't shake it  
Drivin' in your Fleetwood  
To the sports of kings today  
Top hat cane and ascot  
That's the game you play  
Jumpin' from a window  
Shirt half off your back  
Better take the elevator  
And find another track  
I can't shake it  
I gotta a monkey on my back  
And I just can't shake it
