## The National

I am good  
I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller smaller I need my girl  
I need my girl Remember when you lost your shit and  
drove the car to the garden  
you got out and said i'm sorry  
to the vines and know one saw it I need my girl  
I need my girl I'm under the gun again  
I know I was a fortified \_\_\_\_\_  
I know I was a lot of things  
I am good  
I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller smaller I need my girl  
I need my girl There's some things that I should never  
laugh about in front of family  
In a week we'll be together  
Try to call you when I'm landed Remember when you said i'm sorry  
to the vines and know one saw it Try to call you from the party  
\_\_\_\_\_ I'm under the gun again  
I know I was a fortified \_\_\_\_\_  
I know I was a lot of things  
But, I am good  
I am grounded  
Davy says that I look taller  
I can't get my head around it  
I keep feeling smaller smaller  
I keep feeling smaller smaller  
I keep feeling smaller smaller
