

Love Beautiful

Des'ree

I know you think that I don't want to
I know you think that I don't care
I know you said that I don't have to
How can I deny something so rare? I know you like to do the talking
I just keep it down inside
My feet been known to do the walking
But how you gonna know, if you never try Oh love, so beautiful
Oh love, so inspired
Ooh love, so wonderful, sweet love
Ooh, baby, baby, baby, baby, baby I don't believe in ultimatums
I don't believe in making deals
'Cuz when your dealing your emotions
You've simply got to go with how you really feel Oh love, so beautiful
Oh love, so inspired
Ooh love, so wonderful, sweet love
Ooh, baby, baby, baby, baby, baby No one likes to feel, their put on trail
Nobody likes to admit, they're in denial
Who do you know, that likes to feel pushed in a corner
'Cuz it doesn't make sense to lie We're all looking for perfection
Knowing that it don't exist no, no
Somehow we'll settle for deception
But true loves always sealed in a tender kiss Oh love, so beautiful
Oh love, so inspired
Ooh love, so wonderful, sweet love
Ooh, baby, baby, baby, baby, baby Sweet love
Ooh, baby, baby, baby, baby
