

# I Love Being Here With You

Bette Midler

I love the East, I love the West  
North and South, the're both the best  
But I only want go there as a guest  
'Cause I love being here with you  
I love the sea, I love the shore  
I love the rocks and what is more  
You and they never be a bore  
'Cause I love being here with you  
Singing in the shower  
Laughing by the hour  
Life is such a breezy game  
I love all kinds of weather  
As long as we're together  
Oh, I love to hear you say my name  
I love good wine, fine cuisine  
Candle light, I love the scene  
'Cause, baby, if you know just what I mean  
I love being here with you  
I like a Dance by Fred Astaire  
And Brando's eyes, Yul Brynner's hair  
But I think to tell you's only fair  
That I love being here with you  
And Cary Grant, oh do-dah-day  
His utter charm takes me away  
But don't get me wrong, how do you say  
I love being here with you  
Basie's band swingin', I like Ella's singing  
'Cause there's something else, you know  
They know how to say it  
They know how to play it  
They wind it up and let it go  
I love the thrill of New York shows  
I'd love to kiss Durante's nose  
But I'll like to say before I close  
I love being here with you
