

# Bang Bang

Asaf Avidan

I love you like roots in the sand  
I love you like God loves his plan  
I love you like death loves a man  
I love you like a gun in my hand I go bang, bang, bang, a-bang, bang, bang  
I'm back, back again I love you like scalpel loves flesh  
I love you like blood that's fresh  
I love you like a Jew on the run  
I love you like my hand on a gun Bang, bang, bang, a-bang, bang, bang, sha-bang  
I'm back, back again Ooooh.....  
I can't think any damn thing, anything but you  
Ooooh...  
That's how I love, love, love, love, love, love, love. I love you like chisel and stone  
I love you like needle and bone  
I love you like a god loves his son  
And I love you like my hand on a gun I go bang, bang, bang, a-bang, bang, bang  
That's how I love, love, love, love, love you I love you
