

Into The Blue (Beatmasters mix)

Moby

Wild ride
Hold your fire
I'm not about to die Keep back
Let in some air
I dare lie down
To stare at the sky High and wide open
Reaching forever
I fly into the blue High and wide open
Reaching forever
I fly into the blue Flood mark
High tide
Frantic to stay afloat
Stay calm
Let in some air
I dare lie down
To stare at the sky High and wide open
Reaching forever
I fly into the blue High and wide open
Reaching forever
I fly into the blue From above
I am so small, so fast
I move, I move
The light, the light
Here comes the tide High and wide open
Reaching forever
I fly into the blue
(With water surrounding)
High and wide open
(I fly, through the delight I fly)
Reaching forever
I fly into the blue High and wide open
Reaching forever
I fly into the blue High and wide open
Reaching forever
I fly into the blue High and wide open
Reaching forever
I fly into the blue...
