

I Love You, Goodbye

Celine Dion

Wish I could be the one
The one who could give you love
The kind of love you really need

Wish I could say to you
That I always stay with you
But baby that's not me

You need someone willingly to give their heart and soul to you
Promise you forever
Baby, that's something I can't do

Oh, I could say that I'll be all you need
But that would be a lie
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you goodbye

I hope someday you can
Find some way to understand
I'm only doing this for you
I don't really wanna go but deep in my heart
I know this is the kindest thing to do

You'll find someone who'll be the one that I could never be
Who'll give you something better than the love you'd find with me
Oh could I say that I'll be all you need
But that would be a crime
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you goodbye

Leaving someone
When you love someone
Is the hardest thing to do
When you love someone as much as I love you
Oh, I don't wanna leave you
Baby it tears me up it inside

But Iâ€™ll never be the one youâ€™re needing
I love you goodbye

Baby itâ€™s never gonna work out
I love you, goodbye
