

# Play That Funky Music White Boy

George Clinton

Hey ?do it now ?yeah heyYeah, once I was a boogie singer playin' in a rock roll band  
I never had no problems, yeah ?burnin' down the one night stands  
And everything around me, yeah ?got to start to feelin' so low  
And I decided quicklyyes, I did?to disco down and check out the showYeah, they were dancin' and singin' and  
movin' to the groovin'  
And just when it hit me somebody turned around and shoutedPlay that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you die  
(Hey,hey) till you die ?yeah, yeahWell, I tried to understand this??Yeah, huh, I thought that they were out of  
Their minds  
How could I be so foolish,How could I?tonight's the hours, the one behind  
So still I kept on fightin'??Wow, loosin' every step of the way (Yeah, what'd you  
Do?)  
I said, I must go back thereGot to go backand check to see if things still  
The sameYeah, they were dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shoutedPlay that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you die?  
Till you die??(Yeah) Wow, till you die(Come on ?Play some electrified funky music)Hey, wait a minuteNow  
first it wasn't easy changin' rock n' roll and minds  
And things were getting shaky??I thought I'd have to leave it behind  
Oh, but now its so much betterIt's so much betterI'm funkin out in ev-er-y  
Way  
But-I'll never lose that feelin'No I won't?Of how I learned my lesson that  
DayWhen they were dancin' and singin' and movin' to the groovin'  
And just when it hit me somebody turned around and shoutedPlay that funky music white boy  
Play that funky music right  
Play that funky music white boy  
Lay down that boogie and play that funky music till you die  
Till you die??oh, till you die(They shouted, Play that funky music) Play that funky music  
(Play that funky music) Got to keep on??Play that funky music  
(Play that funky music) Pl--AY that funky music  
(Play that funky music) Wanna take ya higha nowPlay that funky music white boy  
Play that funky music right, yeah  
Play that funky music white boy  
Play that funky music right
