

# Jumble, Jumble

## The White Stripes

Jumble jumble  
all at my house  
come on over  
sleep on the couch  
can't even see ya  
look like a mouseCrumble crumble  
the bag is brown  
rip up the paper  
to hear a sound  
pick the pieces up off the groundTumble tumble  
onto the floor  
roll over  
until your poor  
wave to me  
I'm at the door
