I can see contention, financing situations

Leading you in, taking you onLove bites trivia severely
It has to be treated with respect
And taken seriously,seriously lonely
I want to belongDrawing you in, drawing you on
Leading you in, taking you onI want, I want, I want
I want, I want to belong
I want to belongNothing comes from nothing

Leading you in, taking you onDrawing you in, drawing you on
Leading you in, taking you onI want to belong, I want to belong
I want to belong, I want to belong
Long, long, long
Long, long, long
