I'll Be Alright

The Last Internationale

Pick me up when you're coming down
Pull me in or put me out
I'll be gone till your heart is lost for meOh, oh, oh
Lost for me
Oh, oh, oh
You'll be lost for meAs when the love that you're holding shines no longer bright
Sometimes it's better not to see outside
So goodnight my baby, I'm not your fight
Keep on... I'll be alright
Love me through the harshest winter
Break my blues with your warmest summer
Hold my hand in the hottest rain
We'll dance with autumns in the air
Spin until we land anywhereThen I'll be gone till your heart is lost for me
Oh, oh, oh
Lost for me
Oh, oh, oh
You'll be lost for me
'Cause the light that you're holding shines no longer bright
Sometimes it's better not to see outside
So goodnight my baby, I'm not your fire
Keep on... I'll be alright
Oh, oh, oh
When the love that you hold her shines no longer bright
Sometimes it's better not to see outside
So goodnight my baby, I'm not your fire
Keep on... I'll be alright
