Comecon

Erase all borders, cultural esperanto
Let the people be paupers and the customer king
A stable market exclusive for cosmopolitical elites
May the plebs all be ethnic, they will fight we will singPeace
Wealth
Growth
ProgressHow many poor do we need to prosper
How much starvation to make GNP rise?
Why are we sliding into hell when they are pointing at Heaven?
Let Europe recollect what must be done with bourgeois LiesPeace

Crisis, war, reconstruction
To keep on climbing You have to fall to the ground
Growth not wealth brings the world to go round
