Oblivion Stereo

Amen

I cut myself
I cannot stand this body in this promised land
Calling out for remedies in family seminarsSo wouldnt you, wouldnt you
Let your country die here?
Wouldnt you, wouldnt you
Settle down?Were living in stereo
Were shooting in the discos
Oblivion stereo
Were shooting in the discosSeminars in stereo
Seminars at the disco
Seminars in stereo
Seminars at the discoWe spend our lives, give a free meal
We wash but still we cannot feel
We carry all the homeless deals
We sit here catatonic!Wouldnt you, wouldnt you
Let your country die here?
Wouldnt you, wouldnt you
Settle down?Were living in stereo
Were shooting in the discos
Oblivion stereo
Were shooting in the discosSeminars in stereo
Seminars at the disco
Seminars in stereo
Seminars at the disco, selling ours!Were just livin
Oblivion stereo
Were just livin
Oblivion stereo
Oblivion stereo
Oblivion stereo
Oblivion stereo
Oblivion stereo
Were disco now
