

White Letters (DBN Remix) [feat. Melissa Loretta]

ATB

Just stop
Nanana, nanana
Ooh
Just stop
Nanana, nanana
Ooh
I can see it
Like its fifty years from now
So complicated
I got you figured out
And Ive predicted
That you will steal my heart
Though its overrated
I come apart
When you come
Take the corners of my mind
A feeling taking over
I see the constellations
A few white letters
They've played the questions I've designed
I fear its far from over
I see the constellations
A few white letters
Nanana, nanana, nanana
Just stop
Nanana, nanana
Ooh
Ive pretended
That I can shape your world
Youre so unaffected
And Ive complied with all your turns
Feelings jaded
I'm on your trail so long
Youll stand a witness
When it comes undone
When you come
Take the corners of my mind
A feeling taking over
I see the constellations

A few white letters
They've played the questions I've designed
I fear its far from over
I see the constellations
A few white letters
Nanana, nanana, nanana
Ooh
Just stop
Nanana, nanana
Ooh
