PINS

Wild nights with Molly
She's got a hold on me
Wild nights with Molly
Imagining everything
You look so good when you're sad
You look so good when you're bad
Wild nights in the kitchen
Oh why won't you hold me?
Wild nights, she looks different
She won't let me breathe
You are the perfect storm you're where I belong
You look alright but you're all wrong
You look so good when you're sad
You look so good when you're bad
Wild nights with Molly
She's got a hold on me
Wild nights with Molly
She's so good on so she sees
Wild nights with Molly
I still see her once a week
Wild nights with Molly
I wish that she would let me sleep
You look so good when you're sad
You look so good when you're bad
You look so good when you're sad
You look so good when you're bad
