## Rage Against the Machine

Advisory - the following lyrics contain explicit language:

Ughh!  
Hey yo, it's just another bombtrack ughh!  
Hey yo, it's just another bombtrack yeah!  
It goes a-one, two, threeHey yo, it's just another bomb track  
And suckas be thinkin' that they can fade this  
But I'm gonna drop it at a higher level  
Cause I'm inclined to stoop down  
Hand out some beat-downs  
Cold runna train on punk ho's that  
Think they run the gameBut I learned to burn that bridge and delete  
Those who compete at a level that's obsolete  
Instead I warm my hands upon the flames of the flag  
As I recall our downfall  
And the business that burned us all  
See through the news and the views that twist realityEnough  
I call the bluff  
Fuck manifest destinyLandlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burnWith the thoughts from a militant mind  
Hardline, hardline after hardlineLandlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burnBurn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burnBurn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burnIt goes a one, two, three  
Another funky radical bombtrack  
Started as a sketch in my notebook

And now dope hooks make punks take another look  
My thoughts ya hear and ya begin to fear  
That ya card will get pulled if ya interfere With the thoughts from a militant mind  
Hardline, hardline after hardline Landlords and power whores  
On my people they took turns  
Dispute the suits I ignite  
And then watch 'em burn Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn, burn, yes ya gonna burn  
Burn!
