

# Friends

## Aura Dione

Free, free to be myself  
Free to need some time  
Free to need some help  
So I'm reaching baby out  
When I'm lonely in the crowd  
When the silence gets too loud  
I'll be crashing on some couch And even if I never forget you baby  
Tonight Im gonna let your memory baby go  
Oh it's sad I know But at least I got my friends  
Share a raincoat in the wind  
They got my back until the end  
If I never fall in love again  
Well at least I got my friends  
Like a lifeboat in the dark  
Saving me from the sharks  
Even though I got a broken heart  
At least I got my friends, got my friends,  
Got my friends, got my friends  
Well at least I got my friends I don't wanna think  
I just wanna feel  
I just want a drink, yeah  
So pour another round  
And throw it back until it's down  
Lets get lost until we're found again and again And even if I never forget you baby  
Tonight Im gonna let your memory baby go  
Oh it's sad I know But at least I got my friends  
Share a raincoat in the wind  
They got my back until the end  
If I never fall in love again  
At least I got my friends  
Like a lifeboat in the dark  
Saving me from the sharks  
Even though I got a broken heart  
At least I got my friends, got my friends,  
Got my friends, got my friends And when the world is upside down, yeah  
The sky is full of clouds, yeah  
They always come around  
It feels like home, like home  
And I never have to try

I can be myself and I am never alone  
I never feel alone And even if I never forget you baby  
Tonight Im gonna let your memory baby go  
Oh it's sad I know But at least I got my friends  
Share a raincoat in the wind  
They got my back until the end  
If I never fall in love again  
At least I got my friends  
Like a lifeboat in the dark  
Saving me from the sharks  
Even though I got a broken heart  
At least I got my friends, got my friends,  
Got my friends, got my friends  
At least I got my friends, got my friends,  
Got my friends, got my friends  
Well at least I got my friends
