Gone Baby Gone

Michael Monroe

Tell you where it?s at
Ain?t nobody crying now
?Cept for me
Cause it always matters to me yeah
Lost your head
Life is dead
So please
Don?t come singing that sad song anymore
Cause just doesn?t matter to me
Find another fantasy
Yeah
Go on fly
Fly back to your flame
Just a game
How you play it
So please
You won?t be running that game on me no more
Cause you?re gone baby gone to me
You ain?t coming back
Cause you?re gone baby gone to me

(Organ interlude)
Right back where it?s at
Find another fantasy
As you fly
Fly back to your flame
Lost your game
No one playin?
So please
You won?t be running that game ?round here no more
Cause you?re gone baby gone to me
(Ain?t no use)
(Ain?t no use)
You ain?t coming back
Cause you?re gone baby gone to me
(Ain?t no use)
(Ain?t no use)
You ain?t coming
Cause you?re gone baby gone

(Ain?t no use)
(Ain?t no use)
