Solitude

Ulver

My name it means nothing
My fortune is less
My future is shrouded in dark wilderness
Sunshine is far away, clouds linger on
Everything I possessed - now they are goneOh where can I go to and what can I do?
Nothing can please me only thoughts are of you
You just laughed when I begged you to stay
Ive not stopped crying since you went away
The world is a lonely place - you're on your own
Guess I will go home - sit down and moan.
Crying and thinking is all that I do
Memories I have remind me of you
