I'm Losing You All Over Again

Keith Whitley

Everywhere I turn, someone reminds me of you
I remember all the things that we used to do
I think I'm over you and then
I'm losin' you all over again
I smell the fragrance of your sweet perfume
It still lingers in my lonely room
I think of things that might have been
And I'm losin' you all over again
It feels just like it did the day you left
Over and over I can't help myself
It seems to me no matter what I try
I'm right back where I was the day you said, "Goodbye"
I've tried to go out with somebody new
I've changed my hangouts and the things I do
Just when I think my heart will mend
I'm losin' you all over again
It feels just like it did the day you left
Over and over I can't help myself
It seems to me no matter what I try
I'm right back where I was the day you said, "Goodbye"
I've tried to go out with somebody new
I've changed my hangouts and the things I do
Just when I think my heart will mend
I'm losin' you all over again
Just when I think my heart will mend
I'm losin' you all over
Over and over again
