Nerdy

Poison the Well

Why do your eyes paralyze me?
What makes me feel this way?
Carry me away with silence and heartbeats as rapidThinking about your embrace
And how it makes me feel
I just want to feel this way foreverSleep on portraits painted as perfect as you
Why have I been given chance to fly?
When I'm not with you I feel lesser alone?
Why have I been given chance to fly, away?I remember your face imprinted on angels
Your voice as beautiful as the sounds of waves
Crashing against my heartTime slows down when you look at me
I'm infatuated with this, infatuated with you
I remember your face imprinted on angelsIt's so hard for me to understand
Why I hadn't found you before?
Hold my hand
