

# Upper Room

WZRD

(Verse 1)  
This is important, y'all  
So please turn it up, real loud  
I got a question and I need you to answer,  
now  
If you walked in my shoes, would you survive?  
If you said yea then I'mma call you a liar  
You see, I don't believe you would  
Most people are pussies  
Scared to be what God had made them to be  
(Chorus)  
Theres someone way up in the sky look out for all of us  
Yeaaaa mmhhmmm, in the Upper Room  
I don't believe in miracles, No  
I do believe in fate, I do believe in destiny  
(Verse 2)  
This is important, y'all  
So please turn it up, if you can  
I have made sure so much, the boy has become a man  
Finally I can say, I'm feelin' proper  
No need to worry, I'm a happy new mern  
Because I know  
(Chorus)  
Theres someone way up in the sky look out for all of us  
Yeaaaa mmhhmmm, in the Upper Room  
I don't believe in miracles, No  
I do believe in fate, I do believe in destiny  
Most people are pussies
