

# Sweet Talkin Woman

## Five Iron Frenzy

Where did you go?  
I was searching, searching  
On a one way street  
I was hoping, hoping  
For a chance to meetI was waiting for the operator on the line  
She's gone so long  
What can I do? Where could she be?  
No, no, no, don't know what I'm gonna do  
I gotta get back to you(You gotta)  
Slow down, slow down  
Sweet talkin' woman, slow down  
You got me running, run, runYou got me searching  
Hold on, hold on, sweet talkin' Lola  
Hold on, it's so sad if that's the way it's overI was, working, many days go by  
I was thinking, thinking  
'Bout the lonely night  
Communications breakdown all aroundShe's gone so long, what can I do?  
Where could she go? No, no, no  
Don't know what I'm gonna do  
I gotta get back to youI've been living, living, on a dead end street  
I've been asking, asking, everybody I meet  
Insufficient data coming throughShe's gone so long, what could I do?  
Where could she be?  
No, no, no, don't know what I'm gonna do  
I gotta get back to you, ohh
