Lonely Eyes

Milo Greene

Maybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Could I? Could I? Could I?We live side by side, head to head
Each on our own way
Coming clean I was aware
And there you told me you didn't careI can't complain, I can't complain to you (I can't complain)
I can't complain, I can't complain to you (I can't complain)Maybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Could I? Could I? Could I?We're in step by step, inch by inch
In need I was convenient
I tried hard to forgive, no matter how we so bigI can't complain, I can't complain to you (I can't complain)
I can't complain, I can't complain to you (I can't complain)Your house, know how to in and out
My things to you are all around
How could I come you when I can't come in
How could I come you when I can't come inMaybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Maybe tonight I'll need your lonely eyes
Could I? Could I? Could I?If you want me to, I'll leave you
If you want me to, I'll followIf you really wanna stay
If you really wanna go
If you really wanna stay
If you really wanna go
