

3 Times In a Row

TK N Cash

Tryna be real baby just to let you know
 Fuck you on the counter and move you to the floor
 Have going all night baby 3 times in a row
 Hitting that back to back 3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a rowThat pussy got me wide open (Pussy got me wide)

She fuck me like superwoman (Fuck me like super)

I swear she got control of me

That pussy got a hold of me

Love me baby (Love me baby forever)

Can I hit it baby (Hit it baby whenever)

I can do it baby (Do it baby)

Make you wetter

Got you shivering, shaking, nothing but love making Tryna be real baby just to let you know

Fuck you on the counter and move you to the floor

Have going all night baby 3 times in a row

Hitting that back to back 3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row

3 times in a row Make it go around like a merry-go

Up and down baby like a pogo

All these diamonds on me she like how I glow

New Audi baby that's just how I roll

Straight back to back to back

I want her back to back to back

'Cause she know I got stacks on stacks

And she know I'm the fucking man

And she know I'mma keep it going

I'mma hit from the back
And once I hit it from the back,
Man she ain't gonna know how to actTryna be real baby just to let you know
Fuck you on the counter and move you to the floor
Have going all night baby 3 times in a row
Hitting that back to back 3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a rowI might just make you fall
Hit it like a doll baby that's just how it goes
Girl I got you leaking like a waterfall
When you wanna smash baby who you gone call
Come here baby, come here baby
Fuck me good 'til I'm like, 'til I'm like, 'til I'm like
Smash game going crazy, going crazy
You can bring your best-friend
'Cause I know she freakyTryna be real baby just to let you know
Fuck you on the counter and move you to the floor
Have going all night baby 3 times in a row
Hitting that back to back 3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
3 times in a row
