

Sifting

Nirvana

Afraid to grade
Wouldn't it be fun
Cross says floss
Wouldn't it be fun
Wet your bed
Wouldn't it be fun
Sun felt numb
Wouldn't it be fun Your eyes
Teacher said
Your eyes
Teacher said
Your eyes
Teacher said
The Preacher said Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you Spell the smell
Wouldn't it be fun
Search for a church
Wouldn't it be fun
Wet your bed
Wouldn't it be fun
Colt ain't cold
Wouldn't it be fun Your eyes
Teacher said
Your eyes
Teacher said
Your eyes
The Preacher said
The Preacher said Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you

Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
Don't have nothing for you
