

# My Coloring Book

Perry Como

If you admire coloring books and lots of people do  
I've a new one for you, a most unusual coloring book  
The kind you never see, crayons ready, crayons set  
Begin to color me These are the eyes that watched her  
As she walked away, color them gray  
This is the heart that thought  
She would always be true, color it blue These are the arms that held her and touched her  
Then lost her somehow, color them empty now  
This is the tie I wore, until you came in between  
Color it green This is the room I sleep in  
And walk in and weep in  
And hide in, that nobody sees  
Color it lonely, please This is the girl  
That once I depended upon  
Color her gone
