Feelin' Blue

The Bellhops

Where, do you go, when you're lost
Is it up, is it down, is it here
And what, do you see, in the dark
Is it real, is it me, are you scaredDo you believe in yourself
Are you good, are you bad, are you there
And can you confess to the morning light
And be true, what to doWhen it's you, feelin' blue
When it's you, feelin' blueTell me the truth, if you can
Do you know, who you are in a dream
Do you forget, when you open your eyes
And you lose, what to doWhen it's you, feelin' blue
When it's you, feelin' blueDo you believe in yourself
Are you good, are you bad, are you there
Just leave it alone, let it go
Will you see, will you wait, has it goneThen why, do you sleep in your chair
No there's not much to doWhen it's you, feelin' blue
When it's you, feelin' blue
You, feelin' blue
When it's you, feelin' blue, ooh, ooh
