The Priest (Acoustic)

Ivory Hours

I saw him in the church with his white robe on
I always wondered why his eyes were so dim
Walking down the aile like his dog just died and the whole damn world was waiting on him
I see him walk home like a shadow of a man, disappear for a while into a whiskey binge
bottle in his right hand
and then he pulled the trigger
help him, help him please
He loves her ut she doesnt know
loves her but she doesnt know
