A Beautiful Life

Tim McMorris

One, two, three, four
Get my shoes and out the door
Five, Iâ€™m alive
Six, seven, eight, feeling great
Nine, gonna shine, life is good, Iâ€™m doing fine
Ten, gonna do it right and do it again

Ya, I look into the sky with all itâ€™s beautiful colour
But thereâ€™s more than just for me, so gonna share it with another

I got
To show, to give, let out
I want
To sing and shout
Take a look and see a

Beautiful morning
That turns into a
Beautiful evening
And together make a
Beautiful life

And if you want to see
Then come along me
Thatâ€™s right

And if you want a good tomorrow
Itâ€™s pretty simple, gotta find the light to follow
And if you do youâ€™ll have a future real bright

Itâ€™s a combination of consistency
Come on and sing

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh

With another sun rise
Itâ€™s a brand new day
So gonna make a little list

To keep the worries away

I gotta dance just a little bit
Move to be free
Keep my head up high
Donâ€™t forget to be me

Like I won a million dollars
Like I hit the pay dirt
Smile a smile from ear to ear
The kind that make your face hurt

Gonna laugh, jump, sing loud
Not afraid to shout about
Being happy, living it out

Take a look and see a

Beautiful morning
That turns into a
Beautiful evening
And together make a
Beautiful life

And if you want to see
Then come along me
Thatâ€™s right

And if you want a good tomorrow
Itâ€™s pretty simple, gotta find the light to follow
And if you do youâ€™ll have a future real bright

Itâ€™s a combination of consistency
Come on and sing

Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh
