Soul Sloshing (Synaptic Mix)

Venus Hum

Indulging inaccuracy I'm picking apart my friend Lizzie
Throw another word on me and watch me hurl it back
I know you! (I swear I do)
you're just like me- you're sipping a cup of pity
Aw!
Did I forget to mention I'm the centre of attention
In my universe my pains my pension
I know you! (I swear I do)
you're just like me-you're sipping a cup of dreams
Yeah!
Soul sloshing-don't shush me
Just listen to me -pretty little kitty in the sky
The bass of my laughter-my gut is the speaker
Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!
Sweet is my surprise!Self involved security, yet you are such a part of me
And somehow what we do seeps into me, seeps into you
It's subtle-it's creepy knees
It's condescension versus humility
I know you! (I swear I do)
You're just like me- You're sipping a cup of pity
Aw!
Did I forget to mention I'm the center of attention
In my universe my pain's my pension
I know you! (I swear I do)
You're just like me-You're sipping a cup of dreams
Yeah!
Soul sloshing-don't shush me
Just listen to me -pretty little kitty in the sky
The bass of my laughter-my gut is the speaker
Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!
Sweet is my surprise!
