Demian Grace

I hope that you've been thinking about me
I hope that you have been thinking of me too
The way that I have been thinking of you
I hope that you have been thinking of me too
The way that I have been thinking of you
Pick up the phone to call you
But I hung up 'cause I'm so afraid
Afraid of rejection
Or another woman in your face
Hopin' all day that you would call me
And that you're thinking of me too
Well, in my case with the game of love
If I played, I would probably lose
I hope that you have been thinking of me too
The way that I have been thinking of you
I hope that you have been thinking of me too
The way that I have been thinking of you
I hope you're thinking of me
And I pray every night, you love me
I don't ever want what we have to end
And I'll always be your friend
Don't you feel me calling from afar
If you don't know, I've been there from the start
As sure as my name is, what it is
You'll always have a place in my heart

I hope that you have been thinking of me too
The way that I have been thinking of you
I hope that you have been thinking of me too
The way that I have been thinking of you
I hope that you have been thinking of me
The way that I have been thinking of you
When I pray every night
That it's me in your dreams when your sleepin'
I really hope that I'm the that you're thinking about
I hope that you have been thinking of me too
(I hope that, I hope that you've been thinking)
The way that I have been thinking of you
(All the time, can't get you off my mind baby)

I hope that you have been thinking of me too
The way that I have been thinking of you
See I hope that it's you
And I hope that you are, baby
Thinking of me too
See, I hope that you are
Ooh, you're thinking of me
I need for you to think about me
Like I think about you, baby
I hope that it's you
And I hope that you're thinking of
Thinking of, thinking of me too
