

Top 40

Robert Palmer

When I make my Top 40
Smash hit
Rock n roll record
Everything is gonna be just fine
When I make my Top 40
Smash hit
Rock n roll disc
Ill be the record companys valentine
No more philosophic melancholia
Eight hundred pounds of electric genitalia
When I make my Top 40
Smash hit
Rock n roll record
Everythings gonna be just fineWhen I make my fuzz tone
Wah-wah
Synthesized record
Everything is gonna be just grand
When I make my fuzz tone
Wah-wah
Synthesized disc
Ill have to get myself a moving van
Costume, hairdo, made up cute
A personal connection in a business suit
When I make my fuzz tone
Wah-wah
Synthesized record
Everything is gonna be just grandWhen I make my dynamite
Heavy soul
Freaked out record
Everything is gonna be just swell
When I make my dynamite
Heavy soul
Freaked out disc
Ill be living it up pell mell
Mountain top hide away
Three-car garage
Out there hustlin that sonic massageWhen I make my Top 40
Big beat
Heavy soul

Freaked out
Solid gold
Synthesized
Rock n roll record
Everything is gonna be just fine
