

# Top 40

## Robert Palmer

When I make my Top 40  
Smash hit  
Rock n roll record  
Everything is gonna be just fine  
When I make my Top 40  
Smash hit  
Rock n roll disc  
Ill be the record companys valentine  
No more philosophic melancholia  
Eight hundred pounds of electric genitalia  
When I make my Top 40  
Smash hit  
Rock n roll record  
Everythings gonna be just fine  
When I make my fuzz tone  
Wah-wah  
Synthesized record  
Everything is gonna be just grand  
When I make my fuzz tone  
Wah-wah  
Synthesized disc  
Ill have to get myself a moving van  
Costume, hairdo, made up cute  
A personal connection in a business suit  
When I make my fuzz tone  
Wah-wah  
Synthesized record  
Everything is gonna be just grand  
When I make my dynamite  
Heavy soul  
Freaked out record  
Everything is gonna be just swell  
When I make my dynamite  
Heavy soul  
Freaked out disc  
Ill be living it up pell mell  
Mountain top hide away  
Three-car garage  
Out there hustlin that sonic massage  
When I make my Top 40  
Big beat  
Heavy soul

Freaked out  
Solid gold  
Synthesized  
Rock n roll record  
Everything is gonna be just fine
