

If I Had a Heart (Live in Lulea)

Fever Ray

This will never end
Cause I want more
More, give me more, give me more This will never end
Cause I want more
More, give me more, give me more If I had a heart I could love you
If I had a voice I would sing
After the night when I wake up
I'll see what tomorrow brings If I had a voice I would sing Dangling feet from window frame
Will I ever ever reach the floor?
More, give me more, give me more Crushed and filled with all I found underneath and inside
Just to come around
More, give me more, give me more If I had a voice I would sing
