# Unpredictable

## Keshia Chante

Everything I do is for you
You're unpredictable but I still love you, babyWhy you trippin', you were cool yesterday
Is there something I can say to bring your smile back my way?
I'd say, "I'm sorry, if I knew what I did wrong
But I still carry on, 'cause my feelings are so strong"What else can I do?
(What can I do?)
Do for you to prove
(To prove)
Prove that this is true
I need to know 'causeEvery time I think we're alright
Why you gotta go and change your mind, baby?
Everything I do is for you
You're unpredictable, but I still love you, babyIt's so confusing, things always seemed okay
When we couldn't stay away from each other for a day
Boy, one minute, you could make me feel so good
Doing everything you could but today I wish you wouldWhy you gotta be?
(Why you gotta be?)
Buggin' out on me
(On me)
Won't you tell me please?
I need to know 'causeEvery time I think we're alright
(We're alright)
Why you gotta go and change your mind, baby?
Everything I do is for you
(Everything I do)
You're unpredictable but I still love you, babyThought I knew
(I thought I knew)
I'm so confused
(I'm so confused)What's goin' on?
(What's been goin' on?)
Where did we go wrong?
(Where did we go wrong, baby?)Every time I think we're alright
(Every time I think we're alright, baby)
Why you gotta go and change mind, baby?
(Why you gotta go and change your mind?)Everything I do is for you
(Everything I do)
You're unpredictable but I still love you, baby
(I still love you)
