

Say It

Flume

Feeling the song, party done, shadows walking home
Walking with our game on
You are my kind, classic mind and you look so fine, hmm Loving the cold, smoke a roll
See your fingers shake
I'm getting through your heart break
Some kinda freak, sing for me, don't know what I need, hmm Don't doubt me babe
You make me wanna change
Break my bed, don't make me wanna stay, I can't
Bite me babe, you make me love the pain
Break my bed, don't make me wanna stay
I can't When you say it like that oh-oh, oh-oh
Got me falling right back oh-oh, oh-oh (hmm)
When you say it like that oh-oh, oh-oh
Let me fuck you right back oh-oh, oh-oh (hmm) I'm getting the door, silent walk
Whose the first to speak?
Speak it like a real freak
Voice in my head, in my bed
Filled with you instead, hmm
Taking your time, work my mind and I play with you
I play pretend it's so true
Follow me down, listen 'round to the deep dark sound, hmm Don't doubt me babe
You make me wanna change
Break my bed, don't make me wanna stay
I can't Bite me babe, you make me love the pain
Break my bed, don't make me wanna stay
I can't When you say it like that oh-oh, oh-oh
Got me falling right back oh-oh, oh-oh (hmm)
When you say it like that oh-oh, oh-oh
Let me fuck you right back oh-oh, oh-oh (hmm) Oh-oh, oh-oh
Oh-oh, oh-oh Oh-oh, oh-oh
Oh-oh, oh-oh
When you say it like that
Oh-oh, oh-oh Don't doubt me babe
You make me wanna change
Break my bed, don't make me wanna stay
I can't
Bite me babe
You make me love the pain
Break my bed, don't make me wanna stay

I can't When you say it like that oh-oh, oh-oh
Got me falling right back oh-oh, oh-oh (hmm)
When you say it like that oh-oh, oh-oh
Let me fuck you right back oh-oh, oh-oh (hmm)
