

ManUNkind

Metallica

Chaos
Awaiting for Adam's return
Madness
Smiling, as we watch it burn I've become hostage to my mind
Left myself behind
Blind lead blind
Quest to find
Faith in ManUnKindGarden
Of Eden, so simple and pure
Greedy
Needy, must we have more? I've become hostage to my mind
Left myself behind
Blind lead blind
Quest to find
Faith in ManUnKindFascinate
Partner of insanity
Decimate
Lessons we never learn Dominate
Killing of the innocence
Deviate
And to dust you return Seized by the day
Frozen captive by the night
Seized by the day
All the dark days of your life Seized by the day
Frozen captive by the night
Led so astray
All the dark days of your life Zero
Reset, creation of man
Foolish
Ready, to witness again? I've become hostage to my mind
Left myself behind
Blind lead blind
Quest to find
Faith in ManUnKind
Faith in ManUnKind
Oh, faith in ManUnKind
Faith in ManUnKind
Oh, faith in ManUnKind
