

Piece Of Mind

World Party

I'm a looking for you,
What do you want me to do?
Open a door, shine a light on you.
What do you want me for?
I just don't know anymore.
Too many questions, too many chains.[Chorus:](2 verses):
I'm going crazy, crazy being lazy
'Cause tomorrow it may rain.
Say you know the answers.
All I see you making is the same mistakes again.
Ooh, loving you can be so cruel.
Even better than I want it to ...
Ooh, loving you can be so cruel.
Even better than it ought to be for my mind.
Ooh, my piece of mind.
Going the wrong way down a one way street.
I've got a feeling you were born to cheat.
No more for me, that's enough.
We're on that runaway train.
Going round in circles again.
Put the brake on, stop at the light.[Chorus:]It's not in heaven, it's not the trees
Nothing's gonna happen to the birds and bees
It's not the ocean, it's not the air
The only place that matters is the place you care,
In your mind.
Ooh, ooh, save your mind.
[Repeat twice]
Ooh, loving you can be so cruel.
Even better than I want it to ...
Ooh, loving you can be so cruel.
Even better than I want it to, for my mind.
Ooh, loving you can be so cruel.
Even better than I want it to, for my mind.
Ooh, ooh, piece of mind
Ooh, ooh, my piece of mind
Ooh, ooh
Ooh, ooh, piece of mind.
