

Club Foot (Jimmy Douglass Remix)

Kasabian

One, take control of me?
You're messing with the enemy
Said its 2, it's another trick
Messin with my mind, I wake up
Chase down an empty street
Blindly snap the broken beats
Said it's gone with the dirty trick
It's taken all these days to find yaI tell you I want you
I tell you I need youFriends, take control of me
Stalking cross' the gallery
All these pills got to operate
The color quits and all invade us
There it goes again
Take me to the edge again
All I got is a dirty trick
I'm chasin' down all walls to save yaI tell you I want you
I'll tell you I need you
I, the blood ain't on my face
Just wanted you near me
