

Cross My Heart

[Martika](#)

Oh, ooh, hypnotized, with just one look at you
I'm paralyzed, I can't explain
Why just one touch from you
Got me insane You got me head over heels
Better believe it, baby
And I love how it feels Cross my heart, hope to die
May lightning strike me if I'm telling a lie
Cross my heart, I swear it's true
I've never loved anyone more than I'm loving you
Cross my heart it's true, believe me Heavenly, something happens
When you're next to me
I get chills, you can ask me anything
And babe, I will You've got me out of control
Better believe it, baby
Form my head to my toes Cross my heart, hope to die
May lightning strike me if I'm telling a lie
Cross my heart, I swear it's true
I've never loved anyone more than I'm loving you
Cross my heart it's true You're my valentine every month of the year
Baby, rain or shine, I'm so happy when you're here
I want you all the time, am I making myself clear?
My love's gonna last forever Cross my heart, cross my heart
I've never loved anyone more than I'm loving you Cross my heart, hope to die
May lightning strike me if I'm telling a lie
Cross my heart, I swear it's true
I've never loved anyone more than I'm loving you
