

Melancholy Heartbeat

[Madeline Juno](#)

I know that is not what you wanted us to become.
You got my heart tied in a knot.
Everywhere I go I see your face.
I see your eyes.
I'm paralyzed.
And you don't even know that you follow me into the night.
And i'm confused.
With the roles I play.
Decide where's the right way to go.
I don't know.
Where's the helping Hand?
How long should i wait?
How Long should it take to let you go?
Oh,
I would lÃ-ke to know.
Can you hear my melancholy heartbeat?
Can you hear my melancholy, melancholy heartbeat?
Oh, it's beating for you.
Oh, it's beating for you.
I had plans.
You took my Hand.
You where much more than just a friend.
You knew I was wreck.
I saw it in your eyes taht night.
Who did you guess I was?
What did you think you'd Need?
Where did you plan to go?
How could you be so cold?
Can you hear my melancholy heartbeat?
Can you hear my melancholy, melancholy heartbeat?
Oh, it's beating for you.
Oh, it's beating for you.
Oh-Oh-Oh-Oh-Oh...
