Sabaton

Masters of the wind

They are men at war
The sign of a hammers are guideIt's a metal days
As the outlaw's ways
return from the war at last
Blood of the kings death send
King of the gods of warWith the heart of steel
And hell on wheels
The kings of metal leaders
It's the king of kings the crown of ring
Carry on as the kingdom comeIt's a call to arms
Our battle hymns
Today is good day to die
Since of Odin call
To the Hall us all
The blood of enemies flowBlood of the kings death send
King of the gods of warWith the heart of steel
And hell on wheels
The kings of metal leaders
It's king of kings, the crown of ring
Carry on as the kingdom comeBlood of the kings death send
King of the gods of warWith the heart of steel
And hell on wheels
The kings of metal leaders
It's the king of kings the crown of ring
Carry on as the kingdom comeï»¿
