

Jet Blue Jet (feat. Leftside, GTA, Razz & Biggy)

Major Lazer

Gangsta, gangsta, gangsta High like a jet like a jet blue jet Major Lazer
You find this
Turn up loud Can't hide from me, me say me born to be high
I was born to be, born to climb
Can't hide from me, me say me born to be high
I was born to be, born to climb Gangsta
Dance to the rhythm Gangsta, gangsta, gangsta
To the rhythm
Gangsta, gangsta, gangsta
To the rhythm
Gangsta, gangsta, gangsta
Get on Patron, run grab by your phone
Get on Patron, run grab by your phone
Get on Patron, run grab by your phone
Get on Patron, run grab by your phone
To the rhythm Oh oh oh oh what a pity
Be smoking and joking until I talk stupidity
I am so higher than the city
Be fly in the clouds, what a view, so pretty
I'm such a bad boy, P Diddy
We got them notorious like Biggie
You smoke, smoke like a chu chu train
This, I grace, coming through the brain
To the brain
To the brain
To the brain
To the brain In the sky, above the clouds
With the birds, with the birds
Sky, above the clouds
With the birds, with the birds Can't hide from me, me say me born to be high
I was born to be, born to climb
Can't hide from me, me say me born to be high
I was born to be, born to climb Gangsta, gangsta, gangsta
To the rhythm
Gangsta, gangsta, gangsta
To the rhythm
Gangsta, gangsta, gangsta
Get on Patron, run grab by your phone
Get on Patron, run grab by your phone

Get on Patron, run grab by your phone

Get on Patron, run grab by your phone
