

This Is War

Smile Empty Soul

I'm just a normal man
I wouldn't hurt nothing at all
But here we are Our leaders have a plan
I'd only kill if it's for them
Now here we are I drove in a car and flew in a plane
To come to your house and kick your door in
Now it's down to this, it's just you and me
I'll blow your fucking head off for my country I go to church and tithe
I go to work in a suit and tie
But this is war
I'm really not sure why
But the TV says that you are wrong
Now here we are
