Lady Double Dealer

Deep Purple

Get outta my way
I'm gettin' tired of you
There ain't no chance
Doin' what you wanna do
I've been down, down, down, down
Got to get my feet back on the groundLady double dealer
Get outta my way
Lady double dealer
You got nothing to sayI ain't satisfied
Dealin' with second hand goods
You wanted somethin' for nothin'
Taking everything you couldYou been 'round
I got the news
But you ain't waitin' 'round
For me to loseLady double dealer
Get outta my way
Lady double dealer
You got nothing to sayI gave love to you
Did what you wanted me to
But all you did
Was bring me down, ooh babySo I just had to try
Try to reason why
You took advantage of my loveTwo timin' woman
Tryin' to take me for a ride
You're a hard lover, honey
But you sure don't keep me satisfiedI wanna be there
To try to make you see
There ain't no woman
Gonna make a fool outta meGet outta my way
Get outta my way
Get outta my way
