

Get Low (feat. Nicki Minaj, Tyga & Flo Rida)

Waka Flocka Flame

[Chorus]

Lemme see you

Get it low, to the floor

Lemme know, what's up with us

Get it on

I wanna get you home

I'ma put it on Ooh, she's just my type (Flocka)

Hair long and her eyes light

Her smile shine like the sunlight

One of a kind, baby momma type

Friend muggin', she the hater type

Waka Flocka, I'm the player type (Flex)

Jewelry bright, winter white

Champagne chilled on ice

Hold up!

Every bad b***** in the club to the dance floor

Hands on your hips, get real low

Throwing money, my M.O

So slot me your info

Let me know, what you doing tonight girl

I ain't got time for no games

I'm only here for tonight girl Lemme see you get low, low, low

To the floor floor floor

Grab your hips girl

F*** your man

Gimme some more more more [Chorus] Ride for him

'Cause he say I ride real good

Pop star, but I f*** him like I'm still hood

Heard he wanna spend money on a red b*****

Wanna see me do tricks with the next chick

Anyway, boobs up and my a** out

Somebody get a medic when he pass out

Big Nicki in the game n*****

Brick squad, I ain't f***ing with no lame n***** (ah)

Dis dat part when I slow it down like this (ah)

Somebody better get the b***** another round (ah)

Fly as f*** I need a co-pilot

When I come out it's a motherf***ing ho riot [Chorus] They your size, little waist don't match your thighs

Say you're on my level but my level too high

Looking in your eyes, don't look so surprised
I know you ain't heard that, before
Searching in the club and I just found one
Pick up lines, I just dropped mine
Single for the night, tryna double my fun
So what's up, to the bad b****
In the corner, with her a** big
And her hair long, I'ma grab it
She call me daddy, but I'm a bastard
Like, I ain't tryna be horse and carriage
Or tryna take care of you, so put your bad habit
I just wanna smash it, smash it
Pass it, show you where the cash is, cash is
But first lemme see you[Chorus]You be like (ooh ooh), wrap your legs around (me, me)
I'll be on top of (you, you), you'll be like (ooh ooh)
I'll be like (ooh ooh), wrap your legs around (me, me)
I'll be on top of (you, you), I'll be on top of (ooh ooh)[Chorus: x2]You be like (ooh ooh), wrap your legs around
(me, me)
I'll be on top of (you, you), you'll be like (ooh ooh)
I'll be like (ooh ooh), wrap your legs around (me, me)
I'll be on top of (you, you), I'll be on top of (ooh ooh)
