

# If You Believe

Jim Brickman

I close my eyes,  
And even when Iâ€™m sleeping  
Iâ€™m alright,  
â€˜Cause You were, in my life.

Once upon a time,  
I only imagined this  
And now Youâ€™re mine.  
Wished for you so hard  
Prayed that Youâ€™d find me;  
Maybe your here today,  
Here to remind me:

If you believe that dreams come true,  
Thereâ€™s One thatâ€™s waiting there for you.  
â€˜Cause I believed when I saw You  
That when you want something enough,  
That it canâ€™t escape Your love.  
There is nothing in the world that cannot beâ€™  
If you believe, oh ohâ€™

Everybody said  
That I was a fool to think  
That weâ€™d connect  
But I couldnâ€™t get my heart out of my head,  
And they just didnâ€™t see;  
No, they just couldn't know  
The feeling that You get,  
The places that You goâ€™

If you believe that dreams come true,  
Thereâ€™s One thatâ€™s waiting there for you.  
â€˜Cause I believed when I saw You  
That when you want something enough,  
That it canâ€™t escape Your love.  
There is nothing in the world that cannot beâ€™  
If you believe.

Never wished for material things;  
Never needed wind in my wings.

I never wished for anything but You~oh!

I can't explain it,  
Someone just told me,  
~Go where your heart is,  
You'll never be lonely.~

If you believe that dreams come true,  
There's One that's waiting there for you.  
~Cause I believed when I saw You  
That (when you believe) when You want Someone enough,  
Then they can't escape Your love.  
There is nothing in the world that cannot be,  
If you believe.  
Believe, believe, believe, ooh~
