The 2012 Song

Troye Sivan

One Direction took over the world
All the boys and Harry's curly curls.
And Obama's back. I guess he's a hit.
Thank you U.S 'cause Mitt Romney's a shit.
Gangnam Style took over the tubes.
The London Olympics were pretty huge.
Drake told people "You Only Live Once."
Hashtag YOLO son.
Carly Jepsen said "Call Me Maybe."
Justin said "That's not my baby."Twenty twelve. Ooh-ooh. Twenty twelve.
Twenty twelve. A-aah. Twenty twelve..
Cole Sprouse joined Tumblr, we said "Hello."
But now he's just somebody that we used to know.
Somebody. Somebody.
That dude Felix, jumped out of the sky
Everyone thought, he's gonna die
Swag, swag, swag on you.
Personally, I started vlogging too.Twenty twelve. Ooh-ooh. Twenty twelve.
Twenty twelve. A-aah. Twenty twelveThe world ended and we all got owned.
Oh wait, shit, sorry. That was postponed.Twenty twelve. Ooh-ooh. Twenty twelve.
Twenty twelve. A-aah. Twenty twelve
Twenty twelve. Ooh-ooh. Twenty twelve.
Twenty twelve. A-aah. Twenty twelve
