

# Rome

## Looptroop Rockers

Who's the boy you like the most?  
Is he teasing you with underage?  
Could he be waving from a tropical sunset?  
Static silhouette somehow  
Single in this bed someday  
Quiet till it fall, fall, falls!  
Rome, Rome, Rome, Rome  
Focus looking forward the Colosseum  
Oh no, what did I say? What can I say?  
Rome, Rome, many tears have fallen here  
I'll be driving, you look the other way  
That ain't easy to ignore  
When shutters open all the way  
When it's candlelight I see I go insane  
Distant silhouette somehow  
We shared a cigarette somewhere  
Addict till it fall, fall, falls!  
Rome, Rome, Rome, Rome  
Focus looking forward the Colosseum  
Oh no, what did I say? What can I say?  
Rome, Rome, many tears have fallen here  
I'll be driving, you look the other way  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Always and forevermore  
I call to say I'm on the way  
2000 years remain in a trash can  
Let burn the cigarette somewhere  
Ashes till it fall, fall, falls!  
I stand outside under broken leaves  
I know I can't do without, the future's trying to wait  
I've never loved you and if I loved you  
I wouldn't say that I'm sorry, oh no  
I stand outside under broken leaves

Always and forevermore  
We're together dead and lonely  
I thought I couldn't do this without you  
Single in this bed somewhere  
Ashes till it fall, fall, falls!  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
Rome, Rome, Rome, Rome  
?
